

WFB *Local* MARKETING SERVICES

Be Everywhere Your Customers Are Looking.

Introducing Online Visibility Tools Designed for the WFB Community.

The Smarter Way to Manage Your Listings

When someone searches for hardwood flooring, installation/refinishing services or a local supplier, they expect to instantly see accurate info. If your hours, address, or phone number are incorrect, they won't call. They won't visit. They'll move on.

WFB Local Marketing Services helps your business appear consistently and professionally on every online listing, directory and map that matters—all optimized for local search.

What You Get From Our Portal

- Instant Sync Across 40+ Platforms
 - Google, Apple Maps, Bing, Yelp, Facebook, and many more—all kept up to date.
- Centralized Control
 - Edit once. Publish everywhere. No more chasing down old listings.
- Voice Search & Local Pack Ready
 - Show up when customers ask Siri, Alexa, or Google for “wood flooring near me.”
- Duplicate & Error Suppression
 - Prevent incorrect listings from confusing customers or hurting your reputation.

Built for the Wood Flooring Industry

WFB Local Marketing Services was created with wood flooring professionals in mind:

- Contractors who want more calls
- Retailers who want more foot traffic
